

# PLF46™ Programmable Flasher

NEW PRODUCT • MARKET ADVISORY

MA:0092 • 07/2025

We're excited to introduce the **PLF46 Programmable Flasher**. It includes key features like Dynamic Variable Intensity™ (DVI™) and Steady-Lock™—while being fully programmable in Command™. PLF46 is slimmer and more compact than our SmartLogic™ flasher while still packed with all the functionality you need. Designed for simple setups, it offers the added benefit of customizable and precise lighting control.

Whether you're outfitting an emergency vehicle, commercial truck, or utility fleet, the PLF46 delivers powerful versatility in a small package.

Please contact your Whelen sales representative with any questions.
